

VITAL Card Consumer Credit Card Agreement

Effective: 10/16/2023

There are two parts to this Credit Card Agreement (the "Agreement"): **Rates and Fees Table** and **Consumer Card Agreement**. The **Rates and Fees Table** shows the rates and fees for your credit card. The Agreement contains important information related to your credit card issued by Evolve Bank & Trust. Bank has agreed to lend you money as described in this Agreement, and you agree to pay us back together with interest charges and fees. Your use or activation of the Card and any transaction using the Card or Account indicates your acceptance of the terms of this Agreement. If any fee in the Rates and Fee Table is marked "none," the section of this Agreement that relates to that fee does not apply.

How We Will Calculate Balances: We use a method called “average daily balance” (including new transactions). See How Do You Calculate the Interest Charge? below for more details.

Billing Rights: Information on your rights to dispute transactions and how to exercise those rights are included in this Agreement. See Your Billing Rights section for full details.

Can You Change My Account Terms? We can change the terms of your credit card account as permitted by law. When required by law, we will send you notice before doing so.

How Do You Calculate Variable Rates? Variable APRs disclosed above are based on the 7.50% Prime Rate as of December 15, 2022. Variable rates may change when the Prime Rate changes. We calculate variable rate by adding a percentage to the Prime Rate published in *The Wall Street Journal* on the 25th day of each month. If *The Wall Street Journal* is not published on that day, then see the immediately preceding edition. If Prime Rate changes, your new rate will take effect on your next billing cycle.

If the APR associated with an offer is variable, the APR will equal:

Purchase APR - Prime Rate plus a margin of **19.74%**.

Any increase in the Prime Rate may increase your interest charges and your Minimum Payment.

What Are The Daily Periodic Rates Used To Calculate My Interest? The daily periodic rate for your Purchase APR is [**0.074630%**].

- **How Can I Avoid Paying Interest Charges?** If you pay your statement’s “New Balance” in full by the due date, we will not charge interest on any new transactions that post to the purchase balance. If you have not done so, an interest charge will accrue from the transaction date on purchases at the applicable APR for purchases until the date payment in full is posted to your Account. **“New Balance”** means the total amount you owe us as of a Statement closing date.

How Is The Interest Charge Applied? Interest charges accrue from the (1) date of the transaction; (2) date the transaction is processed; or (3) first calendar day of the billing cycle. Interest charges accrue on every unpaid amount until it is paid in full. This means you may owe interest charges even if you pay the entire “New Balance” one month but did not do so for the previous month. Unpaid interest charges are added to the applicable transaction type (e.g., purchase or cash advance) of your account. However, we reserve the right to not assess interest charges at any time.

Minimum Payment: We will calculate the Minimum Payment as all past-due amounts, plus the greater of the following amounts: (i) 10% of your New Balance plus Late Fees, and Interest Charges billed during the billing cycle for which the Minimum Payment is calculated as shown on that periodic statement, the portion of your balance that exceeds your Credit Limit, rounded to the next higher dollar; or (ii) \$25. If the New Balance is less than \$25, the Minimum Payment will be the total amount owed.

How Do You Calculate The Interest Charge?

We impose interest on your Account using the average daily balance method (including new transactions). To calculate interest we first calculate a separate daily balance for each transaction type (e.g., purchases). To calculate the daily balance, we start with the balance at the end of the previous day, which includes any unpaid interest charges on that balance (known as compounding of interest). We add any new transactions or fees and subtract any new credits or payments allocated to that balance, and make other adjustments. We treat a daily balance less than zero as a zero balance. For each balance for each transaction type, we add up all the daily balances and divide by the number of days in the Billing Cycle. This gives us the “average daily balance” for the balance for the transaction type. To calculate the total interest for each balance type, we then multiply the average daily balance by its daily periodic rate and the number of days in the Billing Cycle. The daily periodic rate equals the APR divided by 365 (366 if a leap year). You authorize us to round interest charges to the nearest cent. We may use mathematical formulas that produce equivalent results to calculate the balance subject to interest charges and related amounts. The total interest charge for a Billing Cycle is the sum of the interest charges for purchases, balance transfers and cash advances. To compute the periodic rate portion of interest charges for your current Billing Cycle, we multiply the average daily balance of each type of your transactions in the current Billing Cycle by the applicable daily periodic rates for that cycle.

We add transactions and fees to your daily balance no earlier than the date of the transaction; however, fees may be added on the date of a related transaction, the date they are posted to your Account, or the last day of the Billing Cycle, whichever we may choose.

Digital Wallet Terms

This Section, *Digital Wallet Terms*, governs your access to, and use of your Card through a digital wallet provided by another company (such as Apple Pay, Google Pay, Amazon, PayPal, Samsung Pay, etc.) or a merchant-branded website or digital wallet where your Card information is stored for future use (each, a "Digital Wallet"). We reserve the right to restrict the use of Cards within a Digital Wallet.

A Digital Wallet may not be accepted at all places where your Card is otherwise accepted, and your Card may not be eligible for all the features and functionalities of the Digital Wallet. You understand and agree that your use of a Digital Wallet is subject to the terms and conditions set forth by the third-party Digital Wallet provider or another third party supporting the Digital Wallet or Digital Wallet provider (collectively, the "Digital Wallet Provider") with respect to the use of that Digital Wallet. Your agreement with any Digital Wallet Provider does not impact our Agreement with you. You acknowledge that we are not party to any agreement or the terms and conditions for a Digital Wallet between you and a Digital Wallet Provider or the other third parties supporting that Digital Wallet and we do not own and are not responsible for a Digital Wallet. You may only use a Digital Wallet with a compatible device, as determined by the Digital Wallet Provider ("Compatible Device"). In addition, any use of your Card in or through the Digital Wallet continues to be subject to all terms and conditions of this Agreement. We may terminate your access to or use of your Card with a Digital Wallet at any time and for any reason, including if you violate any of the terms or conditions of this Agreement.

To add your Card to a Digital Wallet, you must register your Card with that Digital Wallet by linking your Card to that Digital Wallet by following the instructions of the Digital Wallet Provider. By doing this, you agree to allow us to share your Card information with the Digital Wallet Provider. You may be required to take additional steps to authenticate yourself or the Card before your Card is added to the Digital Wallet. We may not add a Card to your Digital Wallet if we cannot authenticate the Card or if we otherwise suspect that there may be fraud associated with the Card.

Once you add a Card to a Digital Wallet on a Compatible Device, you may use the Compatible Device to make payments utilizing the Card at any merchant that accepts the Digital Wallet and Card. By selecting an added Card in the Digital Wallet and using the merchant's contactless-enabled point-of-sale terminal or reader or by using a Card for an in-app or a website purchase, you are authorizing the payment for the applicable merchant's products or services with that Card in the Digital Wallet. The Digital Wallet may display transaction history, but it does not reflect any post-authorization activities and may not match the actual transaction details that are posted to your Account.

We do not charge you any additional fees for adding your Card to a Digital Wallet or for using your Card in the Digital Wallet. However, any fees and charges that would apply when you use your Card outside the Digital Wallet will also apply when you use a Digital Wallet to make purchases with your Card or otherwise access your Card. The Digital Wallet Provider and other third parties such as wireless companies or data service providers may charge you fees. Any Virtual Card we may issue you that is linked or registered with the Digital Wallet may be, in our sole discretion, automatically updated or upgraded without notice to you.

We are not the provider of the Digital Wallet, and we are not responsible for providing the Digital Wallet service to you or for ensuring that your Card is compatible with any Digital Wallet service. Some Digital Wallets may use your palm print, fingerprint, facial map or any other biometric data to recognize you, authenticate your identity, or authorize your transactions, and you understand we do not provide any such technology or services and have no obligation regarding the security of such technology or services. By using such technology or services with a Digital Wallet to conduct any transaction, you are authorizing a transaction on your Card. We are only responsible for supplying information to the Digital Wallet provider to allow usage of your Card in the Digital Wallet as you have requested. We do not recommend, endorse or make any representation or warranty of any kind regarding the performance or operation of your Compatible Device or the Digital Wallet. In no event are we responsible for: (i) any failure of the Digital Wallet, any mobile device you use with the Digital Wallet, or the inability to use the Digital Wallet for any transaction or (ii) how the Digital Wallet Provider performs its services or any other third parties regarding any agreement you enter into with the Digital Wallet Provider or other third party. We do not control the privacy and security of any of your information that may be held by the Digital Wallet Provider. Any information held by the Digital Wallet Provider is governed by the Digital Wallet Provider's privacy policy. If you request to add your Card to a Digital Wallet, you authorize us to collect, transmit, store, use and share information about you, your mobile device (Compatible Device), and your use of the Card in accordance with our privacy policy.

TO THE MAXIMUM EXTENT PERMITTED BY LAW, UNDER NO CIRCUMSTANCES AND UNDER NO LEGAL THEORY ARE WE LIABLE FOR ANY LOSSES, CLAIMS, EXPENSES OR DAMAGES RESULTING FROM YOUR USE OF A DIGITAL WALLET, YOUR USE OF THE CARD OR VIRTUAL CARD IN CONNECTION WITH A DIGITAL WALLET, OR A MOBILE DEVICE. YOU EXPRESSLY ACKNOWLEDGE AND AGREE THAT THE USE OF A CARD PROVISIONED TO THE DIGITAL WALLET OF YOUR CHOICE AND THE DIGITAL WALLET SERVICE IS AT YOUR SOLE RISK.

If you use a Digital Wallet, you should protect your Digital Wallet and your Compatible Device as you would your Card. If your Digital Wallet or Compatible Device is compromised, lost or stolen, you should also consider your Card lost or stolen and notify us immediately. If your physical plastic Card is lost or stolen and your Compatible Device is not lost or stolen, you may be required to add the new physical plastic Card to a Digital Wallet. If your Compatible Device is lost or stolen, you will need to add your Card to a Digital Wallet on a new Compatible Device. You are responsible for the Compatible Device, including its selection, and for all issues relating to the operation, performance and costs associated with such Compatible Device. You authorize your wireless operator and/or us to disclose your mobile number, name, address, email, network status, customer type, customer role, billing type, account activation date and device make and model, where provided in accordance with your mobile operator's or our privacy policy at <https://www.getevolved.com/privacy-policy/>, to allow verification of your identity and for fraud prevention purposes.

For questions regarding rewards, please contact the Servicer within the VITAL Card mobile application or email the Service at support@vitalcard.com.

Using a PIN

We may give you a personal identification number ("PIN"). For security reasons, you may have to provide the PIN before you are able to use your Card(s). Keep your PIN secure. Do not write it down, give it to anyone, or keep it with your Card(s). No Authorized Users

We will not issue an additional Card to allow any other person to access the Account. You understand that only you are permitted to use the Card or Account. If, however, any person you authorize initiates a transaction using the Card or Account or if such person incurs a Fee in connection with the Card or Account, you are responsible and liable for the transaction and any Fees or Interest Charges incurred. Without limiting the foregoing, if you permit another person to have access to the Card or Account, this will be treated as if you authorized such use and you will be liable for all transactions and Fees incurred by those persons. You are wholly responsible for the use of each Card according to the terms and conditions of this Agreement, subject to applicable law and any billing or error resolution rights you may have under this Agreement. You are responsible for all authorized transactions initiated and fees incurred by use of the Card. For the avoidance of doubt, you must pay us for all charges made by any person who you grant access to your Card or Account, including charges for which you may not have intended to be responsible. In addition, you must pay us all fees that may become due under the terms of this Agreement in connection with such charges or any actions or omissions of any person who you grant access to your Card or Account to.

Your Promise to Pay

By using your Card or your Account, you promise to pay us for all transactions made on your Account, as well as any fees, interest charges or other charges or Fees. This includes amounts where you did not sign a purchase slip or other document for the transaction. If this is a joint account, each of you, together and individually, are responsible for all amounts owed, even if only one of you uses the Account. If you let someone else use the Account, you and any joint account holder are responsible for all charges made by that person, whether or not you have notified us that the person will be using your Account and whether or not the amount of the actual use exceeds your permission. To the extent permitted by applicable law, you agree to pay all costs and disbursements, including reasonable attorney fees, incurred by us in legal proceedings to collect or enforce your indebtedness and/or the terms of this Agreement.

Statements

You agree to be a paperless Cardholder and accept all statements, including Statements, and communications electronically. We will send or make available to you an electronic Statement at the end of each Billing Cycle, unless not required by law or the law prohibits us from doing so. Your Statement will be delivered or made available to you electronically, as further described in the VITAL Card Electronic Communication Consent. We will not send you a Statement if: (1) we deem your Account uncollectable; (2) delinquency collection proceeds have been instituted; or (3) for any other reason permitted by applicable law. You may request a paper copy of your Statement for a [\$5] fee by calling the number on the back of your Card. The fee will be assessed for each requested paper copy of your Statement. Bank will mail any requested paper Statement to you by regular mail to your address as it appears in our records.

Disputed Transactions

You must inspect each Statement you receive and must immediately contact us about any errors or questions you have, as described in the "Billing Rights Summary" on your Statement and in this Agreement. If you do not notify us of an error, we will assume that all information on the Statement is correct. If we credit your Account for all or part of a disputed transaction, you give us all of your rights against others regarding that transaction and will also: (1) give us any information about the disputed transaction, if we ask; (2) not pursue any claim or reimbursement of the transaction amount from the merchant or any other person; and (3) help us get reimbursement from others.

Security and Lost or Stolen Card

You must take reasonable steps to prevent the unauthorized use of your Card and/or Account. For security reasons, you must, upon receipt of the Card, sign it in ink in the space provided and comply with any card activation procedures as may be prescribed by the Bank. You must notify us immediately and assist us in our investigation if your Card is lost or stolen or you believe someone is using your Account or Card without your permission. You will not be responsible for transactions on your Account that we find are unauthorized. If we reimburse you for unauthorized transactions, you will help us investigate, pursue and get reimbursement from the wrongdoer. Your help includes giving us documents in a form that we request. You should contact us by calling us at (833) 8382900 or (516) 2241760], Monday through Friday [8 AM to 9 PM EST] or contact us through the VITAL Card mobile application.

Interest Charges and Fees

We impose Interest Charges and Fees on your account. Interest Charges are imposed using the average daily balance method, as disclosed on your Statement and this Agreement. We will not charge you interest on any new transactions posted to a Purchase transaction of your Account if you paid the total balance across your Account in full by the due date on your Statement each month. We will generally treat Fees as Purchase transactions unless otherwise specified below. Fees apply to your Account only if your Truth in-Lending Disclosures provide for them. We may increase your Interest Charges and Fees as described in the Amendments to Your Agreement section.

Annual Fee

You are responsible for the annual fee every year your account is open or until your account is closed and paid in full. We will add that fee to your monthly billing statement once a year, whether or not you use your account. Your annual fee will be added to your purchase balance and may incur interest.

Card Replacement while Traveling Internationally

A \$50 dollar fee is incurred for card replacement while traveling or located internationally.

Late Payment Fee

No Late Payment Fee.

Returned Payment Fee

We may charge you this Fee each time your financial institution for any reason rejects a payment you make to us.

Stop Payment Fee

We may charge you this Fee each time you ask us to stop payment or renew a stop payment order. The fee will be disclosed to you at the time you submit or renew a stop payment order.

Cash Advance Fee Not Applicable.

Transactions Made in Foreign Currencies

If you make a transaction in a foreign currency, the credit card network provider will convert it into a U.S. dollar amount. The credit card network provider will use its own currency conversion procedures. The conversion rate in effect on the processing date may differ from the rate in effect on the transaction date that appears on your Statement. We do not adjust the currency exchange rate. We charge a currency conversion Fee as set forth in the Rate and Fee Table.

Minimum Payment

You must pay us at least the Minimum Payment amount by the Payment Due Date shown on your Statement. Your Statement will tell you: (1) the Minimum Payment due; (2) your New Balance; (3) the Payment Due Date; and (4) an explanation of when the payment must reach us for us to consider it received as of that date. Returns and other credits to your Account will reduce your Account balance, but they will not change your Minimum Payment amount.

In addition to the Minimum Payment, you may pay all or part of the total balance on your Account at any time without incurring any prepayment charge. You may pay without penalty any portion of the entire New Balance or more than your Minimum Payment before the Payment Due Date. You understand that by making a prepayment, the total amount you owe us will be reduced but that you must pay the Minimum Payment in successive Billing Cycles as reflected in your Statement. If you overpay or if there is a credit balance on your Account, we will not pay interest on such amounts. But, you must still pay at least the Minimum Payment amount each month, even if you paid more than the Minimum Payment due on the previous Statement. We will continue to charge Interest Charges during Billing Cycles when you carry a balance regardless of whether your Statement includes a Minimum Payment that is due. If your Account is [90] days past due, is part of a bankruptcy proceeding or is otherwise charged off, the total balance is immediately due and payable.

Making Payments

Your payment must be made in U.S. dollars from a U.S. deposit account in a form acceptable to us. Payments on your Account should be made through the VITAL Card app or through your externally connected account via ACH as a one-time payment or by setting up automatic payments. We do not accept cash payments through the mail. You may not make payments with funds from your Account or any other credit account with us or any other company in the Bank organization. You must send mailed payments to us as instructed on your Statement, unless we tell you otherwise. If you mail payment to an address other than the payment address shown on your Statement, there may be a delay in crediting the payment to your Account. We can accept late payments, partial payments or payments marked "payment in full," or any other restrictive endorsement, without losing any of our rights under this Agreement. We may refuse to accept payments made to your Account by someone else on your behalf. If we do accept it, you will be responsible for the payment and any cost if a financial institution rejects it.

You may use your telephone to make a same day payment on your Account through our telephone payment system by calling 1-833-838-2900. By using this system to make a payment, you are authoring us to initiate via the Automated Clearing House payment network, a single debit entry to your depository bank account in the amount specified during the call. For verification purposes, the last four digits of your social security number will be utilized as your PIN.

Payment Processing

We may accept and process payments without losing any of our rights. We may delay the availability of credit until we confirm that your payment has cleared. This may happen even if we credit your payment to your Account. We may resubmit and collect returned payments electronically. If necessary, we may adjust your Account to correct errors, process returned and reversed payments, and handle similar issues.

When you send us an Item as payment, you authorize us to make a one-time electronic fund transfer from your deposit account. You also authorize us to process the payment as an Item. We may withdraw the funds from your deposit account as early as the same day we receive your payment. You will not receive your Item back from your bank. We will provide additional information about this process on your Statement.

We may use the information from an item to create an electronic image. We may collect and return the image electronically. This electronic image may also be converted to a substitute check and may be processed in the same way we would process an Item. We will not be responsible if an Item you provide has physical features that when imaged result in it not being processed as you intended.

How We Apply Your Payments

A different APR may apply to your Account depending on the transaction type. For example, Purchases may have a lower APR than Cash Advances. If your Account has balances with different APRs, here is how we apply payments in a Billing Cycle:

- (1) We generally apply credits and payments up to your Minimum Payment first to the balance with the highest APR, and then to balances with lower APRs.
- (2) We apply any part of your payment exceeding your Minimum Payment to the balance with the highest APR, and then to balances with lower APRs.

Credit Balances

We may reject and return any payment that creates or adds to a credit balance on your Account. Any credit balance we allow will not be made available until we confirm that your payment has cleared. We may without notice restrict the availability of any credit balance in our sole and absolute discretion. We may reduce the amount of any credit balance by any new charges. You may email to support@vitalcard.com, call the number on the back of your Card, write to the address provided on your Statement to request a refund of any available credit balance.

Account Default

You will be in default if:

- (1) you do not make any payment when it is due;
- (2) any payment you make is rejected, not paid or cannot be processed;
- (3) you exceed a credit limit;
- (4) you file or become the subject of a bankruptcy or insolvency proceeding;
- (5) you are unable or unwilling to repay your obligations, including upon death or legally declared incapacity;
- (6) we determine that you made a false, incomplete or misleading statement to us, or you otherwise tried to defraud us;
- (7) you do not comply with any term of this Agreement or any other agreement with us; or
- (8) you permanently reside outside the United States.

If you are in default, we may take certain actions with respect to your Account. For example, depending on the default, we may take the following actions, without notifying you, unless the law says that we must give you notice:

- (1) charge you Fees, or change the APRs and Fees on your Account;
- (2) close or suspend your Account;
- (3) lower your credit limit(s);
- (4) demand that you immediately pay the total balance owing on your Account;
- (5) continue to charge you Interest Charges and Fees as long as your balance remains outstanding; and/or
- (6) file a lawsuit against you or pursue another action that is not prohibited by law. If we file a lawsuit, you agree to pay our court costs, expenses and attorney fees, unless the law does not allow us to collect these amounts.

Communications

Unless we tell you otherwise, you can notify us within the VITAL Card mobile application, at Evolve Bank & Trust, P.O. Box 1899, Memphis, TN 38101-1899, or call us at [(833) 838-2900 or (516) 224-1760]. When contacting us through written communication, please include your name, address, home telephone number and Account number.

To the extent permitted by applicable law, you authorize us and our affiliates, agents, and contractors, and anyone to whom we may sell your Account, to contact you to service your Account or for collection purposes. You agree that these contacts are not unsolicited for purposes of state or federal law. You further agree that the Bank, its affiliates, agents, and contractors and anyone to whom it may sell your Account may: (1) contact you in any way, including mail, email, calls, and texts, including a mobile, wireless, or similar device, even if you are charged by your provider, and using automated telephone equipment or prerecorded messages; (2) contact you at any number that you have given us or any number have for you in our records, including your cellular or other wireless device, even if that number is a wireless, cellular, or mobile number, is converted to a mobile/wireless number, or connects to any type of mobile/wireless device, and even if such telephone number is currently listed on a Do Not Call Registry; and (3) contact you at any email address you provide to us or any other person or company that provides any services in connection with this Agreement. You authorize us to

monitor and/or record your calls with us. For the avoidance of doubt, you agree you will accept calls from us regarding your Account. You understand these calls could be automatically dialed and a recorded message may be played. You agree to notify us within five (5) business days after changing your email address, mailing address, or phone number.

Credit Reports

We or our Servicer may obtain and use credit, income and other information about you from credit bureaus and others as the law allows. We may reevaluate your financial condition and investigate any information you provided on your Account application at any time. In the course of doing so, we may obtain a current credit report and ask you for additional information about your financial condition. You give us permission to obtain any information about you that we believe would be beneficial to facilitate our determination of your eligibility for the Account and the Card, including credit reports from consumer reporting agencies.

We may report information about your Account to credit bureaus and others. Late payments, missed payments, or other defaults on your Account may be reflected in your credit report. Information we provide may appear on your and the Authorized Users' credit reports. If you believe that we have reported inaccurate information about your Account to a credit bureau or other consumer reporting agency, notify us in writing at VITAL Card, Inc., PO Box 9227, Old Bethpage NY. 11804. When you write, tell us the specific information that you believe is incorrect and why you believe it is incorrect.

Amendments to Your Agreement

At any time, we may add, delete or change any term of this Agreement, unless the law prohibits us from doing so. We will give you notice of any changes as required by law. We may notify you of changes on your Statement or in a separate notice. Our notice will tell you when and how the changes will take effect.

Your variable APRs (if applicable) can go up or down as the index for the rate goes up or down. If we increase your APRs for any other reason, or if we change your Fees or other terms of your Account, we will notify you as required by law.

We will provide notice only to the extent required by applicable federal law or the laws of Tennessee that are in effect at that time. If an amendment gives you the opportunity to reject the change, and if you reject the change in the manner provided in such amendment, we may terminate your right to receive credit and may ask you to return or destroy all credit devices as a condition of your rejection. If you use your Card after the effective date of any change, you will be considered to have agreed to the new terms even if you have sent us such written notice. We may replace your card with another card at any time.

The Law That Applies to Your Agreement

This Agreement is entered into between you and us in the State of Tennessee, and your Account and this Agreement, and any claim, dispute or controversy arising from or relating to your Account or this Agreement, whether based in contract, tort, fraud or otherwise and regardless of the place where you live, is governed by, and construed in accordance with, the laws of the State of Tennessee, without regard to Tennessee's conflict of laws principles, and applicable federal laws and regulations. The legality, enforceability and interpretation of this Agreement and the amounts contracted for under this Agreement also are governed by Tennessee law and applicable provisions of federal law, and all amounts granted under this Agreement are extended from the State of Tennessee.

Servicer

The Servicer services parts of your Card and Account, including, but not limited to, Account and/or Card management through Servicer's website or mobile application and customer service relating to any rewards offered in connection with your Card or Account. In this capacity, Servicer may act on our behalf, perform our obligations or enforce our rights under this Agreement. Waiver

We can delay enforcing or not enforce any of our rights under this Agreement without losing our right to enforce them in the future. For example, we may accept late payments or payments that are marked "payment in full" or with other restrictive endorsements

without losing any of our rights under this Agreement. We may waive our right without notifying you. For example, we may waive your Interest Charges or Fees without notifying you and without losing our right to charge them in the future.

No Warranty Regarding Merchant Goods or Services

We are not responsible for the quality, safety, legality, or any other aspect of any goods or services you purchase with your Card beyond your rights described in the Billing Rights below.

Assignment

This Agreement will be binding on, and benefit, any of your and our successors and assigns. You may not sell, assign or transfer your Account or this Agreement to someone else without our written permission. We may sell, assign or transfer your Account and this Agreement without your permission and without prior notice to you. Any assignee or assignees will take our place under this Agreement. You must pay them and perform all of your obligations to them and not us. If you pay us after we notify you that we have transferred your Account or this Agreement, we can return the payment to you, forward the payment to the assignee, or handle it in another way that is reasonable. We will also share with any prospective purchaser of this Agreement, Account, any amounts due on your Account or our rights or obligations under your Account or this Agreement all personal information you may provide us or that we collect in connection with the Card or Account. You authorize us to share such information about you or your Account with our affiliates and others. Federal law gives you the right to limit sharing of information in certain cases. Please see our Privacy Policy for more information.

Disclaimer of Liability

We are not responsible if anyone refuses to accept or honor your Card or Account, even if you have sufficient available credit. Except as required by applicable law, we will not be responsible for any claim or defense you may have against any third-party that arises out of or in connection with any transaction with your Card or Account or any services or goods or other property purchased or leased using your Card or Account. We are not responsible for any losses you incur if we do not authorize a transaction.

Termination

Subject to applicable law, we may terminate this Agreement or revoke your right to use your Account or Card, along with your right to make future transactions, at any time and for any reason without notice to you. You may contact us using the number on the back of your Card to close your Account. If we close or suspend your Account for any reason, you must stop using your Card. You must also cancel all billing arrangements set up on the Account. If we close or permanently suspend your Account, you must return or destroy all Cards. You must still pay us all amounts you owe on the Account. You must also return the Card to us or destroy it if we ask you to.

Arbitration

This Section sets forth the circumstances and procedures under which Claims (as defined below) shall be arbitrated instead of litigated in court upon the election of either party.

- (1) Definitions: As used in this Arbitration Section, the term “Claim” means any claim, dispute or controversy between you and Bank, Servicer or any of their agents or retailers, arising from or relating to the Card or this Agreement as well as any related or prior agreement that you may have had with us or the relationships resulting from this Agreement, including the validity, enforceability or scope of this Arbitration Section or the Agreement. “Claim” includes claims of every kind and nature, including but not limited to initial claims, counterclaims, cross-claims and third-party claims and claims based upon contract, tort, fraud and other intentional torts, statutes, regulations, common law and equity. The term “Claim” is to be given the broadest possible meaning that will be enforced and includes, by way of example and without limitation, any claim, dispute or controversy that arises from or relates to (i) your Card or Account; (ii) advertisements, promotions or oral or written statements related to the Card or Account or goods or services purchased with the Cards; (iii) the benefits and services related to the Card or Account; and (iv) your enrollment for any Card or Account. We shall not elect to use arbitration under the Arbitration Provision for any Claim that you properly file and pursue in a small claims court of your state or municipality so long as the Claim is individual and pending only in that court; any appeals from that court shall be pursued only in arbitration. As used in this Arbitration Section, the terms “we” and “us” shall for all purposes mean the Bank and Servicer, and their respective affiliates, licensees, predecessors, successors, and assigns, and

all of their respective agents, employees, directors and representatives. In addition, “we” or “us” shall include any third party using or providing any product, service or benefit in connection with any Cards (including, but not limited to merchants who accept the Card, third parties who use or provide services, debt collectors and all of their agents, employees, directors and representatives) if, and only if, such third party is named as a co-party with us (or files a Claim with or against us) in connection with a Claim asserted by you. As solely used in this Arbitration Section, the terms “you” or “your” shall mean all persons or entities that have access to or use a Card or Account, including but not limited to all persons or entities contractually obligated under any of the Agreements.

(2) Initiation of Arbitration Proceeding/Selection of Administrator: Any Claim shall be resolved, upon the election by you or us, by arbitration pursuant to this Arbitration Section and the code of procedures of the national arbitration organization to which the Claim is referred in effect at the time the Claim is filed. Claims shall be referred to either Judicial Arbitration and Mediation Services (“JAMS”) or the American Arbitration Association (“AAA”), as selected by the party electing to use arbitration. For a copy of the procedures, to file a Claim or for other information about these organizations, contact them as follows: (i) JAMS at 1920 Main Street, Suite 300, Los Angeles, CA 92614; website at www.jamsadr.com; and (ii) AAA at 335 Madison Avenue, New York, NY 10017; website at www.adr.org.

(3) Significance of Arbitration: IF ARBITRATION IS CHOSEN BY ANY PARTY WITH RESPECT TO A CLAIM, NEITHER YOU NOR WE WILL HAVE THE RIGHT TO LITIGATE THAT CLAIM IN COURT OR HAVE A JURY TRIAL ON THAT CLAIM, OR TO ENGAGE IN DISCOVERY EXCEPT AS PROVIDED FOR IN THE CODE OF PROCEDURES OF JAMS OR AAA, AS APPLICABLE (THE “CODE”). FURTHER, YOU WILL NOT HAVE THE RIGHT TO PARTICIPATE IN A REPRESENTATIVE CAPACITY OR AS A MEMBER OF ANY CLASS OF CLAIMANTS PERTAINING TO ANY CLAIM SUBJECT TO ARBITRATION. THE ARBITRATOR SHALL NOT CONDUCT A CLASS ARBITRATION OR A JOINT ARBITRATION, EXCEPT AS SET FORTH BELOW. THE ARBITRATOR’S DECISION WILL BE FINAL AND BINDING. NOTE THAT OTHER RIGHTS THAT YOU WOULD HAVE IF YOU WENT TO COURT ALSO MAY NOT BE AVAILABLE IN ARBITRATION.

a. Restrictions on Arbitration: If either party elects to resolve a Claim by arbitration, that Claim shall be arbitrated on an individual basis. There shall be no right or authority for any Claims to be arbitrated on a class action basis or on bases involving Claims brought in a purported representative capacity on behalf of the general public, other cardholders or other persons similarly situated. The arbitrator’s authority to resolve Claims is limited to Claims between you and us alone, and the arbitrator’s authority to make awards is limited to you and us alone. Furthermore, Claims brought by you against us or by us against you may not be joined or consolidated in arbitration with Claims brought by or against someone other than you, unless otherwise agreed to in writing by all parties.

b. Location of Arbitration/Payment of Fees: Any arbitration hearing that you attend shall take place in the federal judicial district of your residence. At your written request, we will consider in good faith making a temporary advance of all or part of the filing administrative and/or hearing fees for any Claim you initiate as to which you or we seek arbitration. At the conclusion of the arbitration (or any appeal thereof), the arbitrator (or panel) will decide who will ultimately be responsible for paying the filing, administrative and/or hearing fees in connection with the arbitration (or appeal). If and to the extent you incur filing, administrative and/or hearing fees in arbitration, including for any appeal, exceeding the amount they would have been if the Claim had been brought in the state or federal court which is closest to your billing address and would have had jurisdiction over the Claim, we will reimburse you to that extent unless the arbitrator (or panel) determines that the fees were incurred without any substantial justification.

c. Arbitration Procedures: This Arbitration Section is made pursuant to a transaction involving interstate commerce, and shall be governed by the Federal Arbitration Act, as it may be amended (the “FAA”). The arbitration shall be governed by the applicable Code, except that (to the extent enforceable under the FAA) this Arbitration Section shall control if it is inconsistent with the applicable Code.

The arbitrator shall apply applicable substantive law consistent with the FAA and applicable statutes of limitations and shall honor claims of privilege recognized at law and, at the timely request of either party, shall provide a brief written explanation of the basis for the decision. In conducting the arbitration proceeding, the arbitrator shall not apply the Federal or any state rules of civil procedure or rules of evidence. The arbitrator shall take reasonable steps to preserve the privacy of individuals, and of business matters. Judgment upon the award rendered by the arbitrator may be entered in any court having jurisdiction. The arbitrator’s decision will be final and binding, except for any right of appeal provided by the FAA. However, any party can appeal that award to a three-arbitrator panel administered

by the same arbitration organization, which shall consider anew any aspect of the initial award objected to by the appealing party. The appealing party shall have thirty (30) days from the date of entry of the written arbitration award to notify the arbitration organization that it is exercising the right of appeal. The appeal shall be filed with the arbitration organization in the form of a dated writing. The arbitration organization will then notify the other party that the award has been appealed. The arbitration organization will appoint a three-arbitrator panel which will conduct arbitration pursuant to its Code and issue its decision within one hundred twenty (120) days of the date of the appellant's written notice. The decision of the panel shall be by majority vote and shall be final and binding.

- d. Survival: This Arbitration Section shall survive termination of your Card or Account as well as voluntary payment of the debt in full by you, any legal proceeding by us to collect a debt owed by you, and any bankruptcy by you or us. If any portion of this Arbitration Section is deemed invalid or unenforceable under any principle or provision of law or equity, consistent with the FAA, it shall not invalidate the remaining portions of this Arbitration Section, the Agreement or any prior agreement you may have had with us, each of which shall be enforceable regardless of such invalidity.

Your Billing Rights – Keep For Future Use

This notice tells you about your rights and our responsibilities under the Fair Credit Billing Act.

What To Do If You Find a Mistake on Your Statement: If you think there is an error on your statement, please use the VITAL Card mobile application in-application Dispute Transaction feature or call us at (833) 838-2900 or (516) 224-1760 Monday through Friday 8 AM to 9 PM (EST), or you may also write to us at:

VITAL Card, Inc.,
PO Box 9227
Old Bethpage, New York 11804

In your correspondence, please provide us the following information: (1) account Information: your name and Account number; (2) dollar amount: the dollar amount of the suspected error; and (3) description of the problem: if you think there is an error on your bill, describe what you believe is wrong and why you believe it is a mistake. You must contact us within 60 days after the error appeared on your statement, and at least three (3) business days before an automated payment is scheduled, if you want to stop payment on the amount you think is wrong.

You may notify us of any potential errors in writing or by calling us. You may still be required to pay the amount(s) in question if the Bank determines the transaction is not an error. If you believe fraud has occurred on your account, please call us as soon as possible at (833) 838-2900 or (516) 224-1760.

What Will Happen After We Receive Your Letter: When we receive your letter, within 30 days of receiving your letter, we will tell you that we received your letter. We will also tell you if we have already corrected the error. While we investigate whether or not there has been an error, the following are true: (1) we cannot try to collect the amount in question or report you as delinquent on that amount.

The charge in question may remain on your statement, and we may continue to charge you interest on that amount. But, if we determine that we made a mistake, you will not have to pay the amount in question or any interest or other fees related to that amount; (2) while you do not have to pay the amount in question until we send you a notice about the outcome of our investigation, you are responsible for the remainder of your balance; and (3) we can apply any unpaid amount against your credit limit. Within 90 days of receipt of your letter, we will send you a written notice explaining either that we corrected the error (to appear on your next Statement) or the reasons we believe the bill is correct. If we do not believe there was a mistake, you will have to pay the amount in question, along with applicable interest and fees. We will send you a Statement of the amount you owe and the date payment is due. We may then report you as delinquent if you do not pay the amount we think you owe.

If you receive our explanation but still believe your bill is wrong, you must write to us within 10 days telling us that you still refuse to pay. If you do so, we cannot report you as delinquent without also reporting that you are questioning your bill. We must tell you the name of anyone to whom we reported you as delinquent, and we must let those organizations know when the matter has been settled between us.

If we do not follow all of the rules above, you do not have to pay the first \$50 of the amount you question, even if your bill is correct.

Your Rights If You Are Dissatisfied With Your Card Purchase: If you are dissatisfied with the goods or services that you have purchased with your Card and you have tried in good faith to correct the problem with the merchant, you may have the right not to pay the remaining amount due on the purchase. To use this right, all of the following must be true: (1) The purchase must have been made in your home state or within 100 miles of your current mailing address, and the purchase price must have been more than \$50 (these limitations do not apply if we own or operate the merchant, or if we mailed you the advertisement for the property or services), (2) you must have used your Card for the purchase. Purchases made with Cash Advances from an ATM do not qualify or with a check that accesses your credit card account do not qualify; and (3) you must not yet have fully paid for the purchase.

If all of the criteria above are met and you are still dissatisfied with the purchase, email us at support@vitalcard.com with the Subject "Credit Card Dispute."

VITAL Card, Inc.,
PO Box 9227
Old Bethpage, New York 11804

While we investigate, the same rules apply to the disputed amount as discussed above. After we finish our investigation, we will tell you our decision. At that point, if we think you owe us an amount and you do not pay, we may report you as delinquent.

State Notices

All Accounts, including California and Utah Residents: As required by law, you are hereby notified that a negative credit report reflecting on your credit record may be submitted to a credit reporting agency if you fail to fulfill the terms of your credit obligations.

Wisconsin Residents: Your signature confirms that this loan obligation is being incurred in the interest of your marriage or family. No provision of any marital property agreement, unilateral statement or court decree adversely affects a creditor's interest unless, prior to the time the credit is granted, the creditor is furnished a copy of the agreement, statement or decree or has actual knowledge of the adverse provision.

New York and Vermont Residents: We may obtain at any time your credit reports, for any legitimate purpose associated with the Account or the application or request for an Account, including but not limited to reviewing, modifying, renewing and collecting on your Account. At your request, you will be informed if such a report was ordered. If so, you will be given the name and address of the consumer reporting agency furnishing the report. New York residents may contact the New York State Department of Financial Services to obtain a comparative listing of credit card rates, fees and grace periods. New York State Department of Financial Services - (800) 342-3736 or <https://www.dfs.ny.gov/>.

Missouri, Nebraska and Washington Residents: Oral agreements or commitments to loan money, extend credit or to forbear from enforcing repayment of a debt, including promises to extend or renew such debt, are not enforceable. To protect you (borrower) and

us (creditor) from misunderstanding or disappointment, any agreements we reach covering such matters are contained in this writing, which is the complete and exclusive statement of the agreement between us, except as we may later agree in writing to modify it.

Massachusetts Residents: Massachusetts law prohibits discrimination based upon marital status or sexual orientation.

Ohio Residents: The Ohio laws against discrimination require that all creditors make credit equally available to all credit-worthy customers and that credit reporting agencies maintain separate credit histories on each individual upon request. The Ohio Civil Rights Commission administers compliance with the law.
